PROFESSIONAL SUMMARY

Passionate Computer Science and Engineering student seeking opportunities to apply expertise in Data Analysis, Web Development, and Data Structures & Algorithms to build responsive web applications, create interactive dashboards, and solve real-world problems through efficient and scalable solutions.

EDUCATION

Parul University

B.Tech in Computer Science & Engineering (Core) | **CGPA: 7.82**

2024 – 2027

Vadodara, Gujarat

Bhagwan Mahavir University

Diploma in Computer Engineering | **CGPA: 6.83**

2021 – 2024

Surat, Gujarat

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript
Frontend Development: HTML5, CSS3, React.js, Tailwind CSS
Database Management: SQL, Firebase, Supabase
Data Analysis: Excel, Pivot Tables, Power BI
Developer Tools: Git, GitHub, VS Code

PROJECTS

Sales Performance Dashboard | Excel, Pivot Tables, Charts

2025

- Developed a dynamic Excel dashboard using Pivot Tables, Charts, slicers, formulas, and conditional formatting.
- Visualized sales trends, compared regional performance, and generated actionable business reports.

CareConnection – AI Healthcare Platform | React.js, Tailwind CSS, AI/ML

[Live Demo](#)

- Built an AI-powered healthcare web application that enables users to upload medical reports and ECG data for intelligent analysis.
- Provides AI-based health suggestions, predicts potential risks from ECG readings, and recommends nearby hospitals for further medical assistance.

UI HUB Design | React.js, Tailwind CSS

[Live Demo](#)

- Designed a platform for developers to discover ready-made UI components and AI-generated prompts.
- Features 3D backgrounds, animated buttons, cursor effects, and engaging visual sections.

CERTIFICATIONS

- **NPTEL IIT Kharagpur** – Computer Networks and Internet Protocol (Elite) 🎯
- **UI/UX Parul University** – Design Smarter: A UX Masterclass with Figma 🎯
- **IBM Cognitive Class** – Python 101 for Data Science 🎯
- **HP LIFE** – Data Science & Analytics 🎯
- **Deloitte** – Data Analytics Job Simulation 🎯
- **Tata Forage** – Data Visualisation: Empowering Business with Effective Insights 🎯
- **Google for Education** – Gemini Certified Student 🎯
